

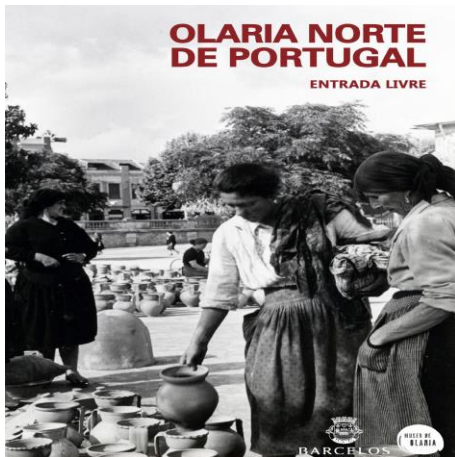

Exhibitions | 2014 to 2019

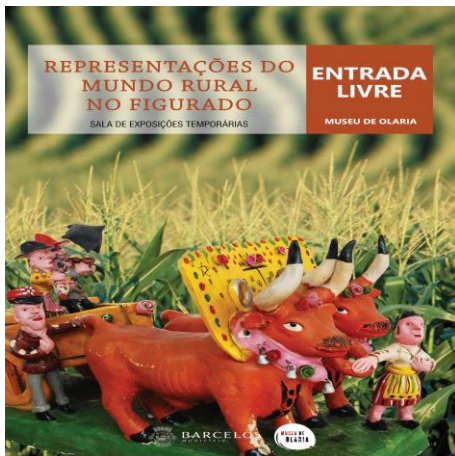

The Museu de Olaria has been coming to promote an useful and profuse expository activity, whose first objective is to promote his collections, composed for about of 10.000 objects. For that effect, the Museum possesses three mains expository spaces: the Permanent Exhibitions' Room; the Chapel's Room and the Main Temporary Exhibitions' Room; and two other small spaces: the Children's Room; and the Temporary Exhibitions' Room.

Besides the own exhibitions whom highlighting the pottery handcrafted by artists from Barcelos, the Museum receives other displays, as much of similar institutions as of individual ceramists; consecrated artists and other still young promising in career beginning, offering to visitors a diversified schedule. In the last years they stand out following exhibitions as you can see on the following pages.
